All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

At this meeting claimants who have not previously done so shall prove their title to lands to which their water records are appurtenant. This may be done by producing, in case of Crown-

granted lands, the title deeds, or a certificate of encumbrance; or in case of lands not held under Crown grant, by producing the pre-emption record, the agreement of sale, the mining record, or other documents of title.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will determine the quantity of water which may be used under each record, the further works which are necessary for such use, and will set dates for the filing of plans of such works, and for the commencement and completion of such works.

And whereas there may be persons who, before the 12th day of March, 1909, were entitled to water rights on any of the said streams and yet not have filed statements of their claims with the Board of Investigation; such persons are required to file on or before the 18th day of August, 1914, a statement of their respective claims. Forms (No. 50 for irrigation, and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

Dated at Victoria, B.C., the 29th day of July, 1914.

For the Board of Investigation.

MUNICIPAL BY-LAWS.

MUNICIPALITY OF RICHMOND.
SEA ISLAND DYKING BY-LAW.

In the Matter of the "Municipal Act," and in the Matter of a Petition to the Corporation of the Township of Richmond for Dyking of that Part of the Municipality of the Township of Richmond called "Sea Island."

A By-law to provide for the Dyking of the Land hereinafter described in the Municipality of the Township of Richmond, and for borrowing on the credit of the Municipality the Sum of \$40,000 for completing the same. Provisionally adopted the twenty-first day of May, 1914.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the dyking have petitioned the Council of the said Municipality of the Township of Richmond, praying that the said municipality do take steps under the provisions of section 134 of the "Municipal Act," chapter 170, R.S.B.C. 1911, and the amendments thereof, for dyking the area of land being portion of Sea Island comprised in the following described boundaries:—

Description of land to be benefited by the proposed dyke under section 112, "Municipal Act, 1914," as follows: Commencing at the north-west corner of Section 10, Block 5 North, Range 7 West, on the south bank of the North Arm of the Fraser River; thence following the line of the existing dyke through Section 9 and part of Section 16 to the westerly boundary of Section 16; thence south along the west boundaries of Sections 16, 21, and part of Section 28 to a point nineteen hundred (1,900) feet from the north-west corner of Section 28; thence east to where it strikes the existing dyke; thence along the line of the existing dyke through Sections 28, 27, 34, 35, 36, 31, 30, 29, 20, 17, 18, 7, 12, 11, and 10 to the point of commencement:

And whereas thereupon the said Council procured an examination to be made by Donald Cameron, being a person competent for such purpose, of the said locality proposed to be dyked, and has also procured plans and estimates of the work to be made by the said Donald Cameron, and an assessment to be made by him by such dyking, of the land and roads to be benefited, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such dyking by every lot, or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said Donald Cameron in respect thereof and of the said dyking being as follows:—

"I hereby certify that I have made a careful examination of the area hereinafter described, and find that every portion of it is equally benefited by the proposed dyking.

"The work to be done consists in providing new and additional flood-boxes, in raising the height of the dyke throughout, piling and otherwise protecting the eroded parts of the river-bank and the whole outer face of the dyke, all as shown on the plans prepared for the work.

"I have prepared an estimate of the cost of the work which is annexed hereto, and an assessment of the annual charges to be made on the area included in the scheme":

And whereas the said Council is of opinion that the dyking of the locality described is desirable:

Be it therefore enacted by the said Municipal Council of the said Municipality of the Township of Richmond, pursuant to the provisions of the "Municipal Act":—

1st. That the said report, plans, and estimates be adopted, and the said dyking and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Municipality of the Township of Richmond may borrow on the credit of the Corporation of the said Municipality the sum of forty thousand dollars (\$40,000), being the funds necessary for the work, and may issue debentures of the Corporation to that amount in sums of not less than one hundred dollars each, and payable within (40) forty years from the date hereof, with interest at the rate of five (5) per centum per annum; that is to say, in half-yearly payments; such debentures to be payable at the Northern Crown Bank, Vancouver, B.C., or at such bank or banking-house in the City of London, England, or at such bank or banking-house elsewhere as the said Council may by resolution direct, at a date on or before forty (40) years from the date hereinafter mentioned for this by-law to take effect, and to have attached to them coupons for the payment of interest.

3rd. That for the purpose of paying the said sum of forty thousand dollars, (\$40,000), being the amount charged against the said lands so to be benefited as aforesaid, other than lands belonging to the municipality, and the interest thereon for forty (40) years at the rate of five per centum (5%) per annum, the following special rates, over and above all other rates, shall be assessed and levied upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be divided into forty (40) equal parts, and one such part shall be assessed and levied as aforesaid in each year for forty (40) years after the final passing of this by-law during which the said debentures have to run.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the dyking have petitioned the Council of the said Municipality of the Township of Richmond, praying that the said municipality do take steps under the provisions of section 134 of the "Municipal Act," chapter 170, R.S.B.C. 1911, and the amendments thereof, for dyking that part or portion of the area of the said municipality, being that part of Lulu Island comprised in the following described boundaries:—

Description of land to be benefited by the proposed dyke under section 112, "Municipal Act, 1914," as follows: Commencing at the north-east corner of Section 24, Block 5 North, Range 6 West, at a point where Number Five (5) Road touches the southern bank of the North Arm of the Fraser River, and extending along the said southern bank of the North Arm of the Fraser River to Number Two (2) Road; thence south along the survey-line, being the centre line of said Number Two (2) Road, to the south-west corner of Section Seven (7), Block Four (4) North, Range Six (6) West, where the said Number 2 Road crosses section-line; thence easterly along the survey-line of Block Seven (7) and Eight (8) to the south-east corner of Section Eight (8), Block 4 North, Range 6 West, where Number Three (3) Road intersects; thence north along the survey-line of Number 3 Road until Number 20 Road intersects; thence east along the survey-line of Number 20 Road until Number 4 intersects; thence south along the survey-line of Number 4 Road to the south-west corner of Section Two (2), Block 4 North, Range 6 West; thence east along survey-line of Section Two (2), Block 4 North, Range 6 West, until Number 5 Road intersects; thence north along survey-line of Number 5 Road to point of commencement:

And whereas thereupon the said Council procured an examination to be made by Donald Cameron, being a person competent for such purpose, of the said locality proposed to be dyked, and has also procured plans and estimates of the work to be made by the said Donald Cameron, and an assessment to be made by him by such dyking, of the land and roads to be benefited, stating as nearly as he can the proportion of benefit which in his

opinion will be derived in consequence of such dyking by every lot, or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said Donald Cameron in respect thereof and of the said dyking being as follows:—

"I hereby certify that I have made a careful examination of the area hereinafter described, and find that every portion of it is equally benefited by the proposed dyking.

"The work to be done consists in providing new and additional flood-boxes, in raising the height of the dyke throughout, piling and otherwise protecting the eroded parts of the river-bank and the whole outer face of the dyke, all as shown on the plans prepared for the work. I have prepared an estimate of the cost of the work which is annexed hereto, and an assessment of the annual charges to be made on the area included in the scheme":

And whereas the said Council is of the opinion that the dyking of the locality described is desirable:

Be it therefore enacted by the said Municipal Council of the said Municipality of the Township of Richmond, pursuant to the provisions of the "Municipal Act":—

1st. That the said report, plans, and estimates be adopted, and the said dyking and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Municipality of the Township of Richmond may borrow on the credit of the Corporation of said municipality the sum of twenty-four thousand five hundred dollars (\$24,500), being the funds necessary for the work, and may issue debentures of the Corporation to that amount in sums of not less than one hundred dollars each, and payable within forty (40) years from the date thereof, with interest at the rate of five (5) per centum per annum; that is to say, in half-yearly payments; such debentures to be payable at the Northern Crown Bank, Vancouver, British Columbia, or at such bank or banking-house in the City of London, England, or at such bank or banking-house elsewhere as the said Council may by resolution direct, at a date on or before forty (40) years from the date hereinafter mentioned for this by-law to take effect, and to have attached to them coupons for the payment of interest.

3rd. That for the purpose of paying the sum of twenty-four thousand five hundred dollars (\$24,500), being the amount charged against the said lands so to be benefited as aforesaid, other than lands belonging to the municipality, and the interest thereof for forty (40) years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied upon the undermentioned lots and parts of lots; and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be divided into forty (40) equal parts, and one such part shall be assessed and levied as aforesaid in each year for forty (40) years after the final passing of this by-law during which the said debentures have to run.
